Information sources for the *Skills for Life* Materials for Embedded Learning project

The Department for Education and Skills wishes to make it clear that the Department and its agents accept no responsibility for the actual content of any materials suggested as information sources in this document, whether these are in the form of printed publications or a website.

In these materials, products, icons, logos, software and websites are used for contextual and practical reasons. Their use should not be interpreted as an endorsement of particular companies or their products.

The websites referred to in these materials existed at the time of going to print. Users should check all website references carefully to see if they have changed and substitute other references where appropriate.

Folder Title: Catering
